

Georgia Buckeyes Youth Football and Cheerleading

Cost Sheet

Operating as a volunteer based, 501(c)3 non profit in conjunction with the continued rise in operating costs and because we strive to keep registration fees to a minimum, the Georgia Buckeyes rely heavily on community contributions to keep our program running. All contributions made will allow for our student athletes to have the best opportunity to grow both on and off the field.

Ways to contribute:

- * Host or allow a team to conduct a fundraiser at your facility
- * Provide in-kind donations that will be of value throughout the 2021 season
- * Donate equipment
- * Provide a monetary donation to assist in meeting the needs of the Georgia Buckeyes
(if applicable, please specify which item you would like your sponsorship to go towards)
